Math groups

In maths we have been doing lots of fun and awesome activities. We always need more parents to help so would parents please come in Thursday mornings and help Mrs Flagg and the students with maths.

Friendship

In our class we made little friendship posters. Some had been cut and some had little borders. They are really good and we are sure to do more of it. Also we have made friendship leaves which were good. Well done. You did a good job 3/4 D.

E.R.Ps

We are starting E.R.Ps in our class. We have started looking up what we can do for our topic. They are really good ideas. We are learning about health for our E.R.P.s e.g. animal diets. We are doing really good. Keep it up 3/4 D.

The African book

We have started the book already. Amelia, Steph, Camden, Indi I, Jett, Arwen, Chloe, Harper, Charlie, Brynn, Tait and Tom have taken the book home. All of them made great reports on themselves. Mrs Flagg loves all of the reports so far. The rest of our class is looking forward to taking the book home. Hope the African kids like it.

Production

In production we are practicing our songs and acting. Our class is doing drumming. We are practicing with Valanga. The theme is Africa. We are practicing really hard. We are lucky we got to do the drums. All the girls have got their costumes and they are doing bracelets and hair and boys are doing hats so can some parents please come and help the students get ready for the production. Thanks

Commonwealth games

This term we have been working on the Commonwealth Games. Sadly when they finish we have to wait for four more years. We have been working on their diet, the tally, torch relay, history of the commonwealth and more. We are doing some quizzes and we are really good at it. Good job 3/4 D.

Health

We have been making pie graphs of health. We started making a table and writing information on it then transferring it into a pie graph.
