Birthdays

Ruben

July 3rd

---

Disco

Watch out for the big disco tonight. There will be a red carpet, photo both, games for all ages except for the age 200 and 0, and even a professional DJ! Remember to wear your best clothes.

Class stories

In our class we have been doing some made up stories about all sorts of things like unicorns, aliens and even talking monkeys.

Maths rotations

WOW! Everybody has been working so well on their maths activities. We have been doing things on mls, litres, temperature and of course everyday maths. Thanks to all the parents who have been coming in but there won’t be any maths rotations next week,

Cross-country

The three cross-country runners have been running again in the mud and muck, Indi L got a score of 29th out of her 80 runners but Ollie G got a score of 5th and he is into the state run!

E.R.P’s

At the moment we are in the middle of our second E.R.P of the year. We need to link it to biological science, human impact, information on the topic and diagram.

Rainforest walk

On Monday we went for a walk through the forest with a park ranger. One of the things that we learnt was that of all trees, the mountain ash sheds the most leaves in the whole wide world.

Joke corner

Q  Why did the toilet paper roll down the hill?
A  To get to the bottom

Homophones

We have been doing some work on some homophones. (a homophone is a word that is spelt differently and means something different but sounds the same)

By Indigo and Jett
Descriptive writing

During school time we have been working on some descriptive writing. We have a slide show showing different pictures of either sunflowers, the seasons and lots of other things.

Fungi

In garden we have been looking at fungi. So when we came back we started drawing fungi. We added detail, so if you want to see our work come up to the top of our classroom and there you go.

Reminders

Remember that next week we don’t have maths activities but guess what it’s the last week of term!

Food chain/web

We have been working on food chains and webs. We have made a big food web in our classroom, and it’s hanging up in the higher part of the classroom.

1 Metre lines

In our classroom we have been working on 1m lines. First we would put a marker at half way then 1 at a quarter and three quarters, then 1 at a sixth 2 sixths and so on. We would also put things such as 0.5 and 0.25 just to get technical.

Things going on

Ruben is going to Thailand for his birthday. End of term is coming up. SCHOOL DISCO Tonight!

Piper

We have a new helper in our classroom Piper. She will be with us and helping us in the months to come. Thanks piper!

Wanted

Wanted for being so yummy.
